Exchange of \$50.00 Federal Reserve Note

1. In the attached envelope is a \$50.00 Federal Reserve note Series of 1914, serial # B 1067712 A. This note is the property of agent CANLET, who has given it to us for safekeeping in case he should ever need funds for travel abroad. It is requested that you send us an equivalent amount in modern US treasury notes (greenbacks). We will retain the new bills for CANLET and issue them to him in case he makes a trip out of Germany.

2. Should there be any doubt about the genuineness of this antique note, please send it to Washington for authentication.
